RE: Central Health (TCHD) applications

The deadline for receipt of applications for the two impending vacancies on the Central Health (TCHD) Board of Managers was 5:00 p.m. last Friday. We are pleased to report that we have received 39 applications. We are reviewing them to make sure they are complete and that the applicants are, as required, residents of Travis County.

As you know, the Court has requested that we make a serious outreach effort to recruit a slate of qualified candidates from which you could make your selections. Our efforts included:

- ★ Media release to print, radio and television outlets
- ★ Social media outreach via Facebook and Twitter
- ★ Outreach via email and phone calls to chambers of commerce, medical societies, and other civic and professional organizations
- ★ Outreach via email to churches and other social services organizations
- ★ Outreach to our legislative delegation
- ★ Collaboration with our colleagues at the City of Austin and Central Health to promote the Call for Applications

IGR recommends that the Court appoint a working group, consisting of a member of the Court, the County Executive for Health and Human Services and Veterans Services, and the IGR Coordinator to review the applications submitted, recommend which applicants should be interviewed, and recommend a series of questions to be asked of candidates. The subcommittee is to report back to the Court on Tuesday, December 9. IGR also recommends the Court schedule a work session to interview candidates for Thursday, December 11.
