**Methodology**

\* Each council member receives a point if they voted in accordance with ANC's position. Major votes (e.g. lobbying transparency) receive three points.
\* The points are then divided by the total points possible for each issue to get a score.
\* A vote can count toward more than one issue.
\* The total score is the average of all scores for issue areas.
\* Issue areas are described in greater detail on the following page.
