RE: Request for Support for Continued Mediation on The Grove PUD

Today, the Bull Creek Road Coalition (BCRC) met with ARG Bull Creek, Ltd., at mediation to try to resolve the issues remaining in dispute on The Grove PUD. Based on our experience at mediation today, we believe that there is a high likelihood that this matter will be resolved at a future mediation session between the parties. We are available to continue mediating this dispute on November 19, 2016. This is the next date our officers are available to meet. We ask that Council support this effort between the parties and postpone the second hearing on The Grove PUD so that we have adequate opportunity to resolve the issue by compromise agreement.

We appreciate your consideration on this important matter.
